Foodborne Illness Investigation Training A Big Success

Over 240 participants from across Indiana attended the recent Foodborne Illness Investigation trainings presented by the ISDH Food Protection Program and Epidemiology Resource Center. Attendees represented local health departments, hospitals, universities, the Indiana Public Health Association (IPHA), and the ISDH. Of the 94 Indiana local health departments, 78 (83%) were represented. All participants will receive a certificate of attendance in the mail. Heather Vaughan, Lee Bray, and Pam Pontones would like to sincerely thank all of those who participated.

Bio-Terrorism: Working Together Is The Antidote

(Regional 1-Day Forensic Epidemiology Training Sessions)

The United States Attorney's Office for the Southern District of Indiana, the United States Attorney's Office for the Northern District of Indiana, the Anti-Terrorism Advisory Council, Indiana State Department of Health, Counter-Terrorism and Security Council, and State Emergency Management Agency are hosting several one-day training sessions entitled ***Bio-Terrorism: Working Together Is The Antidote*** over the summer of 2004. The training will be held at various locations based on the ten ISDH/SEMA districts. Attendees are encouraged to attend the session scheduled for their ISDH/SEMA district, however attendees may request any location as long as space is available. (See the enclosed map of the ISDH/SEMA districts). ***Registration will begin at 7:30 AM and training starts at 8:30 AM each day, concluding at 4:30 PM (all times are local time for that location).***

This one-day course will bring together law enforcement, firefighters, emergency medical, emergency management, school officials, school nurses, elected officials, public health officials, hospital and community health center personnel, public information officers, and coroners so that they may better respond to a bio-terrorism or other public health emergency in their community.

Topics Include

*Epidemiology for Law Enforcement
Criminal Investigation for Health Professionals
Table Top Exercise Based on Real Life Events
And more...*
